Spring 2010 Prayer letter

“Unless the Lord builds the house its builders labour in vain” Psalm 127v1

The picture of giant Jenga from our 'Round the world in 80 minutes' evening illustrates the verse. Our efforts are useless unless the Lord blesses – that's why prayer is so important. Thank you for joining in this vital task!

In so many big and little ways we are conscious of God being at work in our midst, in answer to the prayer of his people.

Pray with us that God will

“deepen our spiritual life, strengthen our body life and widen our witness”.

YOUNG PEOPLE.

This area has been one of our major prayer points. We praise God for some increase!

On Sundays... Crèche and Explorers are growing gradually. We may trial a pre-teens group on Sunday evenings.

No Adults Allowed... monthly for years 7-11 on Sunday afternoons have had some great times. A weekend away will be held 19-21 March

REK!... monthly for school years 1-6 on Saturday teatimes. Numbers peaked at 15 last month. Pray for an impact on families who do not know Christ as Saviour.

Pray for our super team of workers.

OUTREACH.

Friendship. Praise God for the longing that people have to see their friends, neighbours and families come to a personal faith in the Saviour. Pray God will work in individual lives.

Special events. Since the last prayer letter a number of very different events have been held. Good numbers have come to central events. Smaller numbers have spent time in house based outreach discussing the gospel.

Quality Life. People have been praying for people who live on particular streets in the area (Quality Streets we called it). Before Christmas we started visiting the same streets offering free the 'More to life' DVD. This has been well received – pray for those who have watched it. After Easter we will re-emphasise QL and go out again.

COMING SOON.

Guest evening with Vinny Commons and his potter's wheel, March 11th. Pray God will work in people's lives.

Church weekend away. Apr 30-May 2, with Ben Tannett speaking. Pray God will use this weekend to glorify himself in our lives and in our witness.

Was Darwin Right? June 5th, at 6.30pm, when Andy McIntosh will take a biblical look at the evidence. Churches from all over are invited to this key evening. Pray God will use this evening to encourage believers to stand firm in their faith, and to help non-Christians see the truth of God's word.

Thank you for your support,

Gordon Robertson
